

Why Bob Andrew for Vestry? TEN Reasons!

- 1. Concern about stewardship of the church's physical assets**
Neglect of the former Rectory, crumbling exterior concrete
- 2. Ideas to maximize the efficient use of buildings by all ages**
*Make better use of the Rectory & rooms off the Parish Hall
Move youth programs such as Scouts to non-ground levels*
- 3. Practical means to minimize our HVAC energy consumption**
Smarter thermostats: weekly set times and two-hour manual
- 4. Revamp church e-mail system plus "opt-in" mass-mail tools**
*Present clearsail.net system is archaic and lacks good support
Paying separately for e-mail we can get for free with website!*
- 5. Switch web hosting from 'ChurchSquare' to ACS Technologies**
*Better control over website design, layout, links & interactivity
Integrates with 'ACS Episcopal' used to manage our accounting*
